

# Pinkerton Curriculum Night

Please join us for Pinkerton Curriculum Night for Grades K-5 on Thursday, September 12 from 5:30-6:15 or 6:30-7:15. Both sessions will be identical, so choose the time that best fits your family's schedule. During this time, you will be given valuable information about the school year, including our standards-based reporting procedures, our IB-PYP Strategic Initiative and other important curricular information. It is important for at least one parent per child to be in attendance if at all possible. Children can sometimes be a distraction for you and others during these presentations, and supervision is not provided on this evening. Thank you in advance for honoring this request. We look forward to a fun-filled, successful year of learning.
